“Compassion Spreads Like Wildfire”

Warm Welcomes to the WFF Family Outreach Programs Online!

Family Outreach Online

A safe place for families, friends, colleagues and kids to visit, share and keep in touch.

<http://www.wffoundation.org/outreach/>

Click on ‘register’ in the upper left hand corner. Choose a user name and a password. (You will be known on the Listserv by your username). Put them in a safe place so you don't forget them. Post your messages and stay in touch with your WFF family. If you do not have internet at home, use the internet services at the library. The WFF Listserv is secure and safe.

If you have any questions, please email me or call.
